Remarks

Nestled in a centrally located neighborhood, just moments away from the vibrant UTC area, this open concept remodeled home offers a perfect blend of modern luxury and convenience. The interior renovation, completed in 2021, features easy-care and durable luxury vinyl plank flooring throughout the main living areas, creating a seamless flow and effortless maintenance. The neutral palette enhances the sense of space and allows for easy personalization to suit your taste. Updates to the kitchen include stone countertops and stainless steel appliances, all installed in 2021, providing both functionality and style. Updated lighting fixtures and fans, including a dramatic entry chandelier, add a touch of elegance and ambiance to every room. Retreat to the spacious primary bedroom where the ensuite bath offers a walk-in shower, freestanding relaxing soaking tub, and dual vanities. Two additional bedrooms share an updated hall bath, ensuring comfort and convenience for all. Experience year-round comfort with the HVAC system replaced in 2020, complete with air filtration and sanitizing UV light for added cleanliness and peace of mind. The interior laundry room offers additional storage and a utility sink, making household chores a breeze. Step outside to the extended lanai and take in
